

How To Get Up To \$100 000 in AWS Credit 🚀

What's AWS Activate?

It's Amazon Web Services' golden ticket for startups! With tiers for funded and bootstrapped businesses, it dishes out tools, resources, and expert support to thrust startups forward.

Perks for Param Partners:

AWS Credits for Free! Jumpstart your journey with up to \$100,000 in AWS credits.

Expert Guidance: Chat with AWS Solutions Architects for best practices, security, and cost-saving tips.

Train & Shine: Grab free online training from AWS – courses, labs, webinars, and more.

Exclusive Partner Goodies: Special offers from the AWS Partner Network to fuel your growth.

Ready to Dive In with Param?

To qualify:

- Be a blossoming startup.
- Showcase a promising business idea.
- Have less than \$10 million in funding and under \$1 million in annual revenue.
- Be part of the Param family.

Hop Aboard in Simple Steps:

Get (or sign in to) your free AWS account.

Head to the AWS Activate Console.

Choose 'Portfolio Package', enter the exclusive Param OrgID (we'll share it with you!).

Fill out the form, talk about your brilliant startup, and shoot for those AWS credits.

Wait for the magic. You'll hear back within 7-10 days!

Wrapping Up:

Param, in collaboration with the AWS Activate Program, is here to be your launchpad. No more fretting about technicalities or budget squeezes; focus solely on your game-changing idea. With Param by your side, envision a brighter, faster, and more efficient road to success. Let's soar together! ✨
